Honda Pro Ray Brazier Joins Phoenix Boats

Gary Clouse, Phoenix Boats President announced that Ray Brazier, Honda Pro Angler and touted performance specialist would move to Phoenix.

“Ray has an outstanding reputation in the bass fishing community for his expertise with boats and motors. Ray’s integrity, his excellent relationship with all fishermen, and his own professional angling career where he has competed all across the county are all attributes we desire to be associated with Phoenix and Bee Line Boats”, said Clouse.

“I have had the opportunity to drive the new Phoenix. I was speechless and could only say Wow! I have driven some of the greatest boats in the world, but without a doubt, the Phoenix is on the very top of my list. This boat truly handles like a sports car”, said Brazier who resides in Lawrenceburg, Tennessee.

“Phoenix Bass Boats has asked me to join the team after doing an incredible job on the hull design. I am truly honored to be part of the Phoenix Team.”

Brazier will continue competing against the world’s best tournament fishermen while showcasing the new Phoenix. Ray will also work to assure boat dealerships and anglers that the staff at Phoenix Bass Boats is committed to providing top-tier performance to the full line of boats.

Phoenix Boats is a Tennessee corporation headquartered in Tullahoma, Tn. in a modern 50,000 square foot facility on 10 acres.
