

Our passion for fishing is obvious ...

EVERYONE AT PHOENIX HAS A PASSION FOR BASS FISHING

From our President, to our salesmen, to our craftsmen who build the boats, we all live to fish. Whether it is Bassmaster events and weekend tournaments or spending time fishing with our family and friends, we truly love the sport. This passion has shaped our lives and it has likewise brought about many of the fishing features that you see on the Phoenix today. Our goal is to make every boat that goes out our door the best fishing platform it can be, in both design and construction, for our customers. We love to fish as much as anyone and we believe it shows in every boat we build.

Gary Clouse, President, Phoenix Boats, Bassmaster Elite Series Pro

Better Materials. Better Craftsmanship. Better Boats.

A HIGH QUALITY BOAT CANNOT BE BUILT WITHOUT HIGH QUALITY MATERIALS.

At Phoenix, we buy the best raw materials and components available. High quality resins, knit-type fiberglass cloths (A and B), and Plexus brand adhesives to bond the stringer (C), Coosa Composite in our transom (D), and Trevira cloths for superior screw retention are the materials that make Phoenix different than others. Before you choose a boat, you owe it to yourself to compare the complete package of quality materials, craftsmanship, fishability and performance. We believe it will be hard to find a better choice!

21 KE

YOU ASKED AND WE ANSWERED!

New for 2024 is the 21 XE, a culmination of design and art. We have combined the ever-popular PHX hull with the Elite style bow, to create the finest fishing platform available. This model now brings all new features such as full fiberglass rod boxes and backlit analog push button switches to raise the bar for our anglers. The 21 XE also comes standard with an array of features to help you stay at the top of your fishing game such as a Phoenix E2 Electronics Wiring System and a fully padded front deck and front deck lids. All of these combine to help make you the most competitive angler on the water.

20 PHX

IT TAKES PASSION TO PRODUCE THE FINEST FISHING PLATFORM AVAILABLE

The 20 PHX is based on the same platform of the 21 PHX that professional anglers trust to get them through the roughest of conditions. It offers the same deck layout as the larger platform with the massive center tackle storage box and incorporated center rod storage along with the day box built in to the front deck. The bow shroud is offset for better graph visibility and to accommodate larger flush mount units. All of these features combined with the shorter platform offer you the best in rough water ride and the ability to get you to the secret fishing spot a little quicker.

19 PHX

BUILT TO RUN / DESIGNED TO FISH

The 19 PHX is based along the same platform and deck layout of the 20 and 21 PHX, that touring pros and weekend warriors have trusted to handle whatever nature has thrown at them. Utilizing the same slam style latches as the other PHX models and all of the same fishing features it is a truly a tournament platform on a smaller scale. The drivers console and cockpit are mirrored after the bigger models to give you plenty of space and comfort as you drive to the next honey hole.

BUILT FROM A CONTINUOUS PURSUIT OF EXCELLENCE

The 921 ELITE is a hybrid of all things desired by our anglers. From the speed of our Pro XP series to the fisherman friendly layout of our PHX series and the raised deck height of our 721 comes the ELITE. The industry changing bow area allows for large graphs to be flush mounted or multiple units to be stacked. We offer an all fiberglass bow insert for using the latest in forward looking sonar technology on standalone units. The ELITE series is designed around simplistic functionality to allow our anglers to be more efficient with their time on the water.

PERFORMANCE, SPEED AND FISHABILITY

The 920 ELITE comes from the same continued pursuit of excellence as her big brother the 921 ELITE. From the forward trim buttons that are large stomp units to the large tackle storage and day box configuration she is built to fish. Whether it is a simple day on the water with family and friends or the clock is ticking on game day.

FEATURED PACKED - TOURNAMENT READY

Expanding on the ever-popular Elite Series line, we introduce to you the 919 Elite. This model is birthed from the angler's desire to have a feature packed fishing platform in a 19-foot model. With Elite level features like the raised deck design, stomp trim switches and ease of use slam latches. These all combine to create a fishing machine that maximizes an Angler's time on the water.

THE 920 ELITE II IS THE NEWEST ADDITION TO THE PHOENIX LINE UP

The 920 Elite II is derived from the same passion to build boats for fisherman. We believe in giving anglers the power of choice in all the boats we build. Anglers wanting tackle organization options will find the 920 Elite II has two spacious center storage areas and two full size rod storage areas. The bow of the boat is designed to accommodate the ever expanding electronics and forward facing sonar needs. With the 920 Elite II Anglers have everything they need in a 20 foot package.

THE ALL NEW 518 PRO IS DESIGNED FOR THE AVID ANGLER IN ALL OF US.

Offering a lot of the same standard features as the rest of the Phoenix line but in an unheard of value. From the fiberglass storage boxes to the stainless steel latches and the full Tournament Style Livewell system, we have created a model that surpasses all others in its class. Standard with the fully enclosed drivers console, under-seat net storage, and Hydraulic Tilt Steering the 518 Pro gives you more bang for your buck than its competition.
