

PHOENIX

BOATS

2026

by Gary Clouse

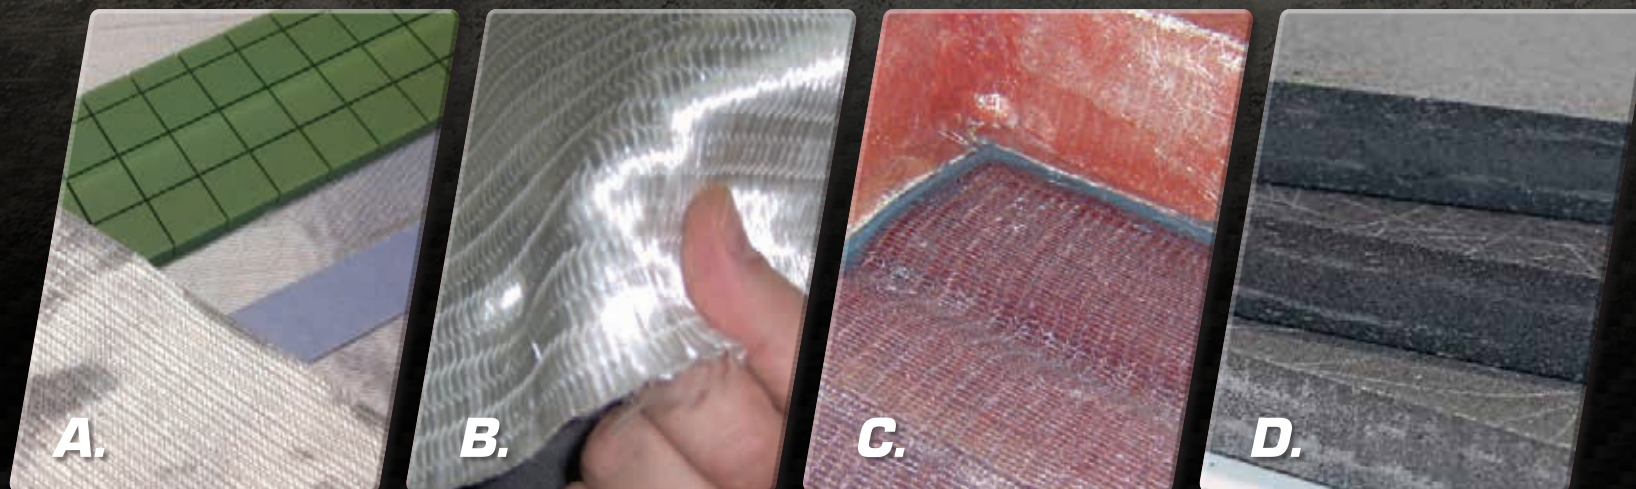

EVERYONE AT PHOENIX HAS A PASSION FOR BASS FISHING.

From our President, to our sales team, to our skilled team who build the boats, we all live to fish. Whether it is BASS or MLF events and weekend tournaments or spending time fishing with our family and friends, we truly love the sport. This passion has shaped our lives and it has likewise brought about many of the fishing features that you see on all of our models today. Our goal is to make every boat that goes out our door the best fishing platform it can be, in both design and construction, for our customers. We love to fish as much as anyone and we believe it shows in every boat we build.

**BETTER MATERIALS.
BETTER BUILDERS.
BETTER BOATS.**

**A HIGH QUALITY BOAT CANNOT BE BUILT
WITHOUT HIGH QUALITY MATERIALS.**

At Phoenix Boats, we buy the best raw materials and components available. High quality resins, knit-type fiberglass cloths (A and B), and Plexus brand adhesives to bond the stringer (C), Coosa Composite in our transom (D), and Trevira cloths for superior screw retention are the materials that make Phoenix different than others. Before you choose a boat, you owe it to yourself to compare the complete package of quality materials, craftsmanship, fishability and performance. We believe it is hard to find a better choice!

XE Series

ELITE PERFORMANCE AND COMFORT TAILORED FOR THE AVID ANGLER.

The XE Series blends innovation, craftsmanship, and comfort to deliver a high-performance fishing experience for serious anglers. Featuring all-fiberglass rod boxes, integrated bow and console shrouds, and backlit analog switch panels, every XE model comes fully equipped straight from the factory. With the proven PHX hull and the refined layout of the Elite series, the XE line is engineered for anglers who want cutting-edge technology, modern design, and fishability in perfect harmony.

21XE

20XE

21XE

ENGINEERED FOR ELITE COMPETITION.

The 21 XE is a culmination of design and art. We have combined the ever-popular PHX hull with the Elite style bow, to create the finest fishing platform available. This model now brings all new features such as the "E" Style Console with quick access panels, ProForm fiberglass seat base with EdgeForce performance seats, quick access cockpit drawer and black billet grab handles while still offering full fiberglass rod boxes and backlit analog push button switches to raise the bar for our anglers. The 21 XE also comes standard with an array of features to help you stay at the top of your fishing game such as a Phoenix E2 Electronics Wiring System and a fully padded front deck and front deck lids. All of these combine to help make you the most competitive angler on the water.

Elite X Series

THE ALL NEW ELITE X. INNOVATION, COMFORT, AND CONTROL.

Innovation, comfort and tournament-ready control converge in the ELITE X's completely redesigned deck architecture and premium performance upgrades. Every ELITE X features our original, proven running surface paired with a newly engineered front deck—up to 4" wider in key zones—ProForm fiberglass seat bases with integrated console boxes, custom contour panels and a through-bolted "E" Style Console with quick-access panels. Engineered for anglers who demand refined ergonomics, rock-solid ride and championship-caliber features, ELITE X puts you in command of every cast and every contest.

921 Elite X

921 Elite X II

920 Elite X

920 Elite X II

921 *Elite*X

A HYBRID OF PASSION, PERFORMANCE, AND PURPOSE.

The 921 ELITE X blends everything today's anglers demand by delivering the speed of our Pro XP series, the intuitive, tournament-ready layout of the PHX, and the elevated deck height of the 721. At the bow, an industry-leading design allows for up to three stacked graphs. The new "E" Style Console gives you unmatched visibility and control. The all-new ProForm Fiberglass Seat Base and EdgeForce Performance Seating ensure comfort in even the most demanding conditions. A seamlessly recessed trolling motor ring rounds out a deck built for efficiency, precision, and total control cast after cast.

921 *Elite* X II

DESIGNED FOR SERIOUS ANGLERS WHO DON'T SETTLE.

The 921 ELITE X II is a hybrid of all things desired by our anglers. From the speed of our Pro XP series to the fisherman friendly layout of our PHX series and the raised deck height of our 721 comes the ELITE X. The industry changing bow area allows for large graphs to be flush mounted or multiple units to be stacked. We offer an all fiberglass bow insert for using the latest in forward looking sonar technology on standalone units. The ELITE X series is designed around simplistic functionality to allow our anglers to be more efficient with their time on the water.

Pro Series

PROFESSIONAL GRADE PERFORMANCE, BUDGET FRIENDLY.

The Pro Series is built for anglers who demand serious capability in a more accessible package. Designed with wide casting decks, spacious storage, and core tournament features, these boats offer the ride quality, fishability, and dependability Phoenix is known for – all at an exceptional value. Whether you're just entering the tournament scene or simply love to fish hard on the weekends, the Pro Series delivers big performance without the big price tag.

818 Pro

818 Pro

FULL-SIZED CONFIDENCE IN A COMPACT FOOTPRINT.

The 818 Pro takes our 18'6" platform to an entirely new level. Everything about it is bigger and better. From the larger console to the bigger tackle storage and on to the massive front deck the 818 Pro gives you all the comfort of a much bigger platform with the ease of use and agility in a powerful compact package.
